## TERMS AND CONDITIONS OF MEMBERSHIP

Our membership programme is a means of recognising those who give us support and want to be involved. By completing the membership application form, you confirm you have reviewed, understood and agree to the WoolOn Creative Fashion Society Inc (WoolOn) membership terms and conditions.

1. Membership to WoolOn entails an annual non-refundable administration fee, and your membership renews annually.
2. You can apply for a 50% reduction in fees where application and payment are received by WoolOn six months or more after the annual renewal date, by contacting the memberships manager on [hello@woolon.co.nz](mailto:hello@woolon.co.nz).
3. For NZ residents, fees are in \$NZ and include GST
4. For overseas residents, fees are in \$NZ and do not include GST
5. The welcome email with digital membership card is confirmation that your payment has been received and processed into the database. Your membership commences from the date of confirmation.
6. Membership is valid for the person noted in the application form and is not transferable.
7. Your digital membership card and membership benefits are available to you as a member of WoolOn and are not transferable.
8. If you think you have been debited incorrectly for your membership, or have questions about membership, please contact the memberships manager at [hello@woolon.co.nz](mailto:hello@woolon.co.nz)
9. All members agree to be bound by the WoolOn constitution and rules.
10. WoolOn will retain the information you have entered for the Society's use only. We will not provide this information to third parties outside the Society and its members.
11. If necessary, WoolOn has the right to confirm the information you have entered.
12. You need to have an email address so that we can send you confirmation of your registration and your welcome information. This email address must be unique – i.e. not the same as another member.
13. By signing the application form, you consent to WoolOn contacting you from time to time, including via telephone and electronic methods.
